## **OBJECTIVE**

Travel all over the world playing in the most important theaters.

Spreading mandolin music culture.

Teaching music.

Playing in orchestras.

Working through music.

Enhance the mandolin and music in general.

Getting to know personalities in the world music scene.

Winning other competitions and awards.

Organizing events.

## **EXPERIENCE**

I proposed ideas on how to improve performance and efficiency. I consistently achieved short- and long-term goals.

I performed works by Beethoven, Mozart, Vivaldi, Calace, Piazzolla and many other composers. Music tours and performances at music festivals and special national and international events.

Composed and collaborated on projects for film and television.

Assisted people with disabilities or related illnesses and disorders to express themselves through music and sound when verbal communication was difficult.

Created and implemented lesson plans to meet the specific needs of students. Communicating with parents about student progress.

Mandolin player, specialized in various music genres like classic, folk, pop and jazz with over 13 years of experience in concerts around Italy. Multi instrumentalist (baritone and alto flugelhorn, guitar).

Event planner and manager of musical groups.

Student at the conservatory 'A. Scarlatti' of Palermo, musician in ensemble and orchestras. Received many music awards with 'Tetra Kordes' quartet, like:

- Public award and first prize at the 2nd edition 'Claudio Abbado' competition in Palermo;
- First prize 'B. Albanese' international competition in Caccamo;
- First prize 'P. Mandanici' competition in Barcellona Pozzo di Gotto;
- Winner 8th 'Primavera' concerts, celebration in Palermo;
- First prize 'Armonie Sicane' national competition in Bivona.

Active engagement in the valorization of traditional repertoire and popular music.

Worked in many theatres and performed for important organizations.

Studied and played music abroad through the Erasmus + programme.
